EXPERIENCE

Elon News Network, Elon, NC — Broadcast News Director

May 2025 - PRESENT

- Main point of contact for the Elon News Network's broadcast medium. Organizes all news content and production for ENN Tonight.
- Leads a team of over 20 students in putting together two weekly broadcasts. Runs foundational meetings that teach students the basics of local journalism, editing tools, news writing, and reporting.

Society of Professional Journalists, Elon, NC — President

August 2024 - PRESENT

- Oversees regular meetings and helps aspiring journalists connect with professionals.

FOX Business Network, Washington, DC — Intern

June 2025 - July 2025

- Shadowed a field producer at the White House. Wrote and shot a stand-up for my portfolio.
- Attended hearings on Capitol Hill and sent out the most notable moments to thousands of colleagues, including reporters, producers, and executives within FOX News and FOX Business. Used Jira, Dalet and Trint to highlight these hearings.
- Wrote and edited reporter scripts at Capitol Hill meetings. These scripts were then edited into news packages for my portfolio.
- Shadowed field producers when interviewing politicians on Capitol Hill. Shadowed network photographers and gained key insights into newsgathering.

Elon News Network, Elon, NC — Executive Producer

August 2024 - May 2025

- Produced 30-minute broadcast segments. Made reporter packages and did live shots for the student-run broadcasts.

WCIV ABC News 4, Mount Pleasant, SC — Intern

June 2024 - August 2024

- Shadowed reporters and producers out in the field and the newsroom to gain insight on true local journalism.
- Practiced live-shots and video editing on AVID Media Composer. Wrote voice-overs for hourly show segments on iNews.
- Put together a 15-minute broadcast with other interns.
